

## TRI CITIES DOG TRAINING CLUB TRAINING CLASS RULES & REGULATIONS

**Registration forms will ONLY be accepted until the Friday before the start of classes. After that time you must contract the person on the form for further instructions.**

**The following rules are to be followed at all times by trainees attending classes given by Tri Cities Dog Training Club**

1. Training fees must be paid before you and your dog are allowed to work on the training floor. Also, a signed release form must accompany fees (**SEE BELOW**).
2. You will be required to show veterinarian proof of **UP-TO-DATE** vaccinations for your dog against **RABIES, DISTEMPER, and PARVOVIRUS** before your dog is allowed in the training building or on the training floor. It is recommended that your dog be checked for and is free of **INTERNAL/EXTERNAL PARASITES**.
3. Please exercise (allow your dog to relieve itself) before you come to class. Should your dog have an accident in the training facility or grounds, it is your responsibility to clean up. Your instructor will be more than happy to hold your dog for you.
4. There is an exercise area (the grassy area along the fence) located on the south side of the building (Salvation Army Gym) when we use the facility. A bucket and clean up tools are provided by the club. It is your responsibility to pick up after your dog. Please report any violations of this rule to your instructor! By picking up after our dogs, we are allowed to continue to use this facility. When we use other locations, exercise areas will be explained.
5. Dogs must be held on a leash at all times, except those being worked in advanced classes where the dogs are expected to be off lead.
6. All dogs must be under control and not left unattended at any time outside a training ring and kept quiet while in the building or class location (when held outside). This also includes when entering or exiting the training building or area.
7. Dogs are not allowed in the restrooms.
8. People arriving early for classes are asked to stand or sit quietly on the sidelines, keeping conversations to a minimum.
9. Visitors are welcome to watch a class. However, they may not interfere either verbally or physically with a class. Young people under the age of 15 must be accompanied and supervised by a responsible adult. Violators **WILL** be asked to leave.
10. Trainees must keep their children quiet and under control at all times.

11. Dogs may not be worked on mats reserved for a class. Cutting across mats during a training session will not be allowed. Please walk on the outside of these mats when possible along the walls to reach a restroom.
12. Disorderly conduct on the training premises may result in dismissal from the training facility.
13. Attack trained dogs **ARE NOT** allowed on the premises.
14. For the safety of all class members and instructors, if any dog enrolled in TCDTC classes displays aggression on more than one occasion, the owner may be asked to leave the class and receive a prorated refund. Suggestions as to alternative training facilities will be made.
15. For instructional classes, enrollment is as a "team" specified at the start of the class. Change of dogs within these classes is not allowed. However, with the permission of the instructor, immediate family members can work the dog if class members cannot attend.
16. There will be **NO REFUND** of class fees, unless otherwise specified.

**In consideration of my enrollment and participation in the TCDTC obedience classes, I hereby agree to assume all liability for any personal injury, property damage and injury or damage to other dogs which may be caused by the dog which I bring to class. I further agree to indemnify and hold harmless TCDTC, it's instructors, staff and sponsors from such liability. As a participant in these classes, I will be a member of the TCDTC for that night of class. I have read and understand the Training Rules and Regulations set up by TCDTC.**
